

*Memory Tree
Of Lights*

*On the grounds of the Chapel of Our Savior
(on 4th Street, in the second block north of Lake Street)*

The Memory Tree of Lights is a strong, tall pine covered with shimmering lights. Near each light is an ornament bearing the name of a suicide victim and the loved ones left behind. It is a gathering place for those grieving the loss of a loved one to suicide. It is a quiet place where one can find peace, meditate, and pray. It is a place to remember past holidays and to begin new Holiday traditions.
